

Noisedeck Privacy Policy

Effective Date: July 24, 2024

What We Collect

- **User Information:** Email address, username, password, and payment details (processed by third-party).
- **Usage Data:** Pages viewed, referring sites, IP address, session info, and timestamps.
- **Cookies:** Used for login, preferences, device identification, and service analysis.
- **Device Info:** IP address, browser details, language, OS, device type, and model.

What We Don't Collect

- **Sensitive Information:** No collection of data on race, political views, health, etc.
- **Children Under 13:** Accounts for children under 13 are not permitted.

How We Use Your Information

- **Account Creation:** To create and manage your account.
- **Service Provision:** For Noisedeck subscriptions.
- **Communication:** To email you with consent.
- **Improvement:** To enhance our service based on usage and device data.
- **Security:** For fraud prevention and legal compliance.

Legal Bases for Processing

- **Contract Performance:** For account creation and subscription services.
- **Consent:** For user profiles and marketing, revocable by account deletion.
- **Legitimate Interests:** For legal, security, and service maintenance purposes.

Sharing Your Information

- **With Consent:** As explicitly approved by you.
- **Service Providers:** Limited to those improving our service under strict privacy terms.
- **Legal Requirements:** As required by law, with notification unless prohibited.
- **Corporate Changes:** In mergers or acquisitions, under confidentiality terms.

Data Retention and Deletion

- **Retention:** While the account is active or as needed for services.
- **Deletion:** Account deletion requests are processed within 90 days.

Cookies and Tracking

- **Purpose:** For service provision, security, and improvement.
- **Consent:** By using Noisedeck, you agree to our use of cookies.

Security

- **Measures:** Encryption via SSH, HTTPS (TLS), and regular security practices.
- **Breach Response:** Prompt mitigation and user notification.

Global Privacy Practices

- **Data Handling:** Processed in the USA, adhering to global privacy standards.
- **Communication:** Email communication based on your preferences.

Resolving Complaints

- **Contact:** Email us at toys@generative.toys with "Privacy Concerns."

Changes to Policy

- **Updates:** Notifications of material changes will be provided at least 30 days prior via our website or email.
- **Contact Us:** For any questions regarding our privacy practices, please email toys@generative.toys.
